## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-31 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art cited of record, although disclosing an LED chip array, does not disclose an LED chip array having positive and negative leads provided on top and bottom surfaces, a plurality of first metal connections configured to respectively interconnect the positive leads on the top and bottom surfaces of the insulating base, at least one second metal connection configured to interconnect the positive leads on the top and bottom surfaces of the insulating base for at least one second metal connection, a metal connection that connects the metal layers to each other at a position substantially directly beneath a location where at least one of the plurality of light emitting elements is disposed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anabel M Ton whose telephone number is (571) 272-2382. The examiner can normally be reached on 08:00-16:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sandra O'Shea can be reached on (571) 272-2378. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
